

Ballot Content
2011 Boulder County Coordinated Election
Nov. 1, 2011

"Ballot issues referred by the general assembly or any political subdivision are listed by letter, and ballot issues initiated by the people are listed numerically. A ballot issue listed as an "amendment" proposes a change to the Colorado constitution, and a ballot issue listed as a "proposition" proposes a change to the Colorado Revised Statutes. A "yes" vote on any ballot issue is a vote in favor of changing current law or existing circumstances, and a "no" vote on any ballot issue is a vote against changing current law or existing circumstances." C.R.S. 1-40-115 (2)(a)

City of Boulder Ballot Question No. 2C
Light and Power Utility

Shall the City of Boulder have the authority to establish, acquire, erect, maintain, and operate, by any lawful means, a municipal light and power utility with programs and improvements that include without limitation generation plants, renewable energy,

energy conservation, and distribution systems, with all necessary powers appurtenant thereto if the city council determines that it can acquire the electrical distribution system in Boulder and charge rates that do not exceed those rates charged by Xcel Energy at the time of acquisition and that such rates will produce revenues sufficient to pay for operating expenses and debt payments, plus an amount equal to twenty-five percent (25%) of the debt payments; and with the reliability comparable to Xcel Energy and a plan for reduced greenhouse gas emissions and other pollutants and increased renewable energy;

Shall the City amend its Charter by the addition of a new Article XIII, "Light and Power Utility," as described in Ordinance No. 7804 that provides for utility service standards, the creation of an electric utilities department and electric utilities board, and the general powers and limitations of the utility; and

Shall the City, acting through the utility, issue enterprise revenue bonds payable solely from the net revenues of the utility, to finance the costs of acquiring from Xcel Energy and any affiliate thereof, and constructing, relocating, installing, improving, completing or expanding the equipment, facilities and other assets comprising an existing electric distribution system within or outside the City's boundaries, and paying all necessary or incidental costs related thereto, and shall the City have the authority to adopt all means necessary or appropriate to carry out the requirements, purpose and intent of this measure?
